

SIGMA Membership Information 2019

SIGMA's membership year runs from January to December each year. For new members joining part way through the year, the membership rate is reduced according to how much of the current year remains (see table below). Membership would then renew at the full rate the following January.

We welcome young people in SIGMA so membership is free to under 18's. We also have concessionary rates for students and the over 60's.

More information about SIGMA can be found at www.sigma-astro.co.uk.

If you are unclear about anything, then my contact details are on page 2. Feel free to get in touch either before or at the next monthly meeting.
